BALLOTS TO BOX

Are you registered to vote? Monday, October 19, 2020 is an important deadline, as it's the last day where you can register online or by mail to vote in California. If you don't register by October 19th, you can still vote on November 3rd. After October 19, 2020 people can still register, but they have to come to the voting center to do so. Or on Election Day, come to the voting center or their polling place. We are just over two (2) weeks from Election Day (November 3, 2020) and millions of voters are not waiting until the last minute to cast their ballots.

That's why OCAACCI is offering **BALLOTS TO BOX**, a **FREE** service offering home/office ballot pickup and delivery directly to your respective registrar's office for the following counties:
